PROFESSIONAL PRACTICE

DCVL / Amy Van Lauwe Design: Melrose MA

DCVL Principal & Founding Partner, 2016

AVL Design Founding Principal, 2007 - Present

DCVL was formed by David De Celis and Amy Van Lauwe to foster an exploration of the relationship between architecture and other design disciplines. DCVL focuses on providing meaningful, innovative and comprehensive design solutions through exploration of form-making and using a collaborative and inter-disciplinary approach. Amy is an active educator and believes that this balance of academic and professional engagement provides a limitless source of inspiration for her work.
